Art Unit: 3662

1. Applicant's arguments, filed on 27 September 2004, with respect to claims 12-16 have been fully considered and are persuasive. The U.S.C. 102 rejection of claims 12-16 has been withdrawn.

- 2. The terminal disclaimer filed on 27 September 2004 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of U.S. Patent No. 6,396,769 and U.S. Patent No. 6,614,722 has been reviewed and is accepted. The terminal disclaimer has been recorded.
- 3. Claim 15 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 15 recites the limitation "the diver" in line 2. There is insufficient antecedent basis for this limitation in the claim.

- 4. Claims 17, 18, 20 and 21 are objected to because of the following informalities: Claims 17, 18 and 20 utilize the term "comprises" where the phrase "includes inside" would appear to be more appropriate. Claim 21 is objected to for depending from the aforementioned parent claim 17. Appropriate correction is required.
- 5. Claims 1-14, 16 and 19 are allowed.
- 6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Daniel Pihulic whose telephone number is 703-306-

Application Number: 10/629,315 Page 2

4168. The examiner can normally be reached on Monday through Thursday from 7

a.m. to 5 p.m. If attempts to reach the examiner by telephone are unsuccessful, the

examiner's supervisor, Thomas Tarcza, can be reached on 703-306-4171.

The fax phone numbers for the organization where this application or proceeding is

assigned are:

703-872-9306 for official responses, and

703-746-3847 for unofficial communications.

Any inquiry of a general nature or relating to the status of this application or proceeding

should be directed to the receptionist whose telephone number is 703-308-1113.

Information regarding the status of an application may be obtained from the Patent

Application Information Retrieval (PAIR) system. Status information for published

applications may be obtained from either Private PAIR or Public PAIR. Status

information for unpublished applications is available through Private PAIR only. For

more information about the PAIR system, see http://pair-direct.uspto.gov. Should you

have questions on access to the Private PAIR system, contact the Electronic Business

Center (EBC) at 866-217-9197 (toll-free).
